Rachie's Recommendations

Today is the day to "Relaaaaaaax...". There will be Yoga and Tai Chi sessions with the wonderful Alex at the Gym.

There are also Massages available at the Gym during the day.

For those movie lovers, there will be movies running all day at Lake Surfmoat.

Fred.

Fred is our friendly mannequin that lives in the beer garden. He has mysteriously gone missing! If you have any information about his whereabouts please contact Rachie at the Freemason's Activity Hub.

Swapping your Activities

If you would like to change your offsite activity allocations you need to visit Moot Admin before **11am the day before**. Unfortunately after this time we cannot accept changes as we need to confirm bookings with vendors.

Lost Property

If you have misplaced anything please come up and visit the team at Admin. They have a collection that would like to find back to its original owner.

Want to be photo famous?

Are you a budding photographer? Do you have great snaps from your Moot adventures that you would like to share with the world?

Come and visit the Marketing team in Moot Admin to give us a copy of your photos. They might end up in Moot Scoop, other Scouting publications, or online!

Also, when you're posting online remember to use the official Moot hashtag #themoot2017.

**Rovers are loving their offsite activities
across Victoria!**
